Not sure, but could be because it's the third year of increasing numbers and that put is into a different funding category for teaching - Spoke to Tom Ferris; instruments are being repaired (funding re-instated); be sure to thank him should you see him - Nathan: have the "mentors" ready to come in and work with different groups in band ▪ Strings: just getting dates for principals in to help with string program ▪ Looking good and appears to be a very valuable program  <b>Motion</b> to have OBBPA fund up to \$5000 for 4 sessions of lessons; Sarah Bonner/John Blythe/Carried  - We are not paying the entire amount; Telus is continuing to cover some - Costing more now as we have more band members this year  <b>Motion</b> to have OBBPA fund up to \$600 for Strings lessons.
