

Oak Bay High School

Presents The

20th Annual Garden Compost Sale

Oak Bay High School is holding its 20th annual compost fundraiser as a means to provide a service to the community, while raising money for upcoming band and athletics tours. We are selling a high quality mix of yard compost and cow manure which has been well ground and aged and will be sourced locally to help Island businesses.

We will be filling bags at the school on March 4, 5 and 6.

All orders will be delivered to your home by March 7. The compost will be bagged in industrial quality plastic bags that can be reused many times around your garden. They will be approximately 35-40 lbs. each.

The cost is \$6 per bag or \$25 for five bags, delivery included. Payment is due at the time of order. Please make cheques payable to Oak Bay Secondary School.

Your order form has the name of the student you are dealing with. Should there be any difficulty with your order we ask that you contact the student directly.

If you would like to make an order and have not yet been contacted by a student, please contact oakbayband@gmail.com
