

Oak Bay Band Parents Association

Band uniform information

Welcome everyone to Oak Bay Band. Please be sure your student has all the band uniform pieces they need. If you have trouble getting uniform pieces please contact Mr. Weaver.

All students, whether they are in Concert or Jazz, must have:

Black dress pants (no leggings, sweat pants, or yoga pants)

Black socks/tights and Black dress shoes. (no sneakers or lettering)

Black long sleeve dress shirt that buttons up and can take a tie.

They need these for all performances.

It is preferred that the girls wear dress pants rather than skirts as the skirts must be black and below the knee (which is really hard to find right now) and they must wear black thick tights with a skirt.

If your student is in Band 9:

They will also wear a green band tie that will be handed out in class on Thursday Oct 4th. All students need to supply \$20 to cover cleaning, repair and replacement of uniforms. This can be done by sending in cash in an envelope with students name clearly written on front or make this payment online through the **schools online payment system**.

If your student is in Band 10, 11, 12:

They will also wear a green band blazer and band tie. These will be handed out in class Thursday Oct 4th. All students need to supply \$20 to cover cleaning, repair and replacement of blazers and ties. This can be done by sending in cash in an envelope with students name clearly written on front or make this payment online through the **schools online payment system**. Each student must also hand in a cheque for \$165 made out to **Oak Bay Band Parents Association (not OBBPA) dated June 01 2019**. This will only be cashed if the blazer is not returned at the end of the school year. This part cannot be done online.

All students are responsible for the numbered tie and blazer that is signed out to them at the beginning of the year. Uniforms are handed back in in June after the Oak Bay Tea Party Parade.

Please get your cheques and payment made online **by Wed Oct 3th**.
